

Treasury Board Bargaining Update

Public Service Alliance of Canada
Alliance de la Fonction publique du Canada

PROTECTING WORKERS

All of our union's bargaining teams made demands to make the rules for Workforce Adjustment more transparent and reduce the anxiety that the process causes for workers.

Let everyone know. Share this flyer!

DEFENDING SICK LEAVE

We will stand firm in our defense of sick leave and will not take concessions on this important issue that would force employees to work while sick.

FIGHTING FOR HEALTHIER WORKPLACES

Our key proposals to make federal workplaces healthier: reduce stress, prevent harassment, improve maternal health, improve conditions for shift workers, ensure workers have the right to refuse unsafe work, fairness for injured workers, and measures to improve work life balance.
