WHEN: August 15th from 11:30 am until 1:30 pm. (Rain date August 16)

WHERE: Green Shore Park in Summerside.

WHO: All PSAC Members.

For the past two years, over 4,000 federal public service workers in PEI have suffered because of the Phoenix pay system. Most people would quit their job if their employer stopped paying them properly, but our members continue to come in day after day because they truly care about delivering the critical services Canadians depend on.

Please join us for this gathering to send a message to the prime minister and his government that federal public service workers deserve to be paid correctly and on time, every time.

If you have been personally affected by the broken Phoenix pay system and you are willing to share your story with a local journalist, please let us know by emailing us at bezeaus@psac-afpc.com

Food to be supplied by Sizzler catering. Dietary restrictions? No problem!
