Challenges you had to cope with since the last meeting	
<p>The large geographic area of Atlantic and not being able to visit with the members of the entire region remains a challenge.</p> <p>Member apathy and the lack of engagement and involvement continue to be a challenge.</p> <p>The costs of being able to travel and our limited director's budget also remain a challenge. Although cost is a barrier sometime, I continue to work and find ways to cost share, "piggyback" on other events to be able to get out to the membership and work with the sisters & brothers and to continue my role, as a member, & leader of the PSAC Atlantic Council.</p>	
What would you like to work on next?	
<ol style="list-style-type: none"> 1) To see permanent fruition of RIPC, (Regional Indigenous Peoples Circle) in Atlantic Region 2) Continue to represent Indigenous members of Atlantic Region 3) To work on the establishment of additional RIPC's in Atlantic Provinces 4) To attend the Atlantic Regions events, such as POW WOWS, Summits, Education 5) Attend other Indigenous Conferences such as AFN, (Assembly of First Nation's), Conference, and CLC Indigenous conferences. 4) Continue to be involved in the priorities of the PSAC National Indigenous Peoples Circle. 5) Continue my involvement in the PSAC's National Human Rights Committee 	

Respectfully submitted,

Angela Decker
