Attended PSAC Leadership Training	Attend as a Director of PSAC council
Attended a Phoenix Demo Dartmouth	As a Director of PSAC

Challenges you had to cope with since the last meeting	
<p>Challenges are limited but when PSAC are holding events I find it hard when members lack interest in being involved in demos that impact them.</p> <p>Example recent Phoenix demo very few PSAC members had been interested in this demo marking the Anniversary of this payroll mess not significant.</p> <p>After 8yrs we still have members dealing with the fall out of the pay issues. Your employer sees that lack of interest certainly will be in no rush to try to correct the continued problems.</p>	
What would you like to work on next?	
<p>As a PSAC council member I would like to see some more ways of getting our PSAC members engaged. I know we all had to storm the recent strike but going forward we are looking at a national election next year. The party that's high in the polls is no friend of the Public Services and we can forecast cuts. This Union must be ready to take on these challenges coming our way.</p> <p>You the members are the union and ask for your support, Solidarity !!</p>
