

Report of the Director for Francophone Members

Since our last meeting, I've attended several events and trainings where I had the opportunity to meet new members.

I continue to be active with the Miramichi Regional Women's committee, the Area Council and the New Brunswick Federation of Labour.

Promoting Health & Safety through the Joint Learning Program, I've facilitated two more workshops. These workshops allow me to continuously learn from other and apply that knowledge in my own workplace. I can also bring ideas to our Regional Health & Safety committee, which is an important tool for our region. I also had the opportunity to present at the Regional Health & Safety Conference on behalf of the Joint Learning Program, in promoting the Occupational Health and Safety Training.

Below is a list of activities, meetings and events I've attended since our last council meeting.

Solidarity,

Caroline Morais Gregan
